

RICHMOND PILOTS SPOT LANDING CONTEST

How it works:

Each landing is scored based on the following chart, e.g. a perfect on spot landing is a 100 points

Gear must have one wheel on each side of the centerline, failure to do so results in -20 points

In the event of a bounce you are scored at the first touchdown but bouncing itself results in -20 points

Prizes:

Pilot with the most points wins a trophy.

Pilot with the least points wins a free (though they must provide the aircraft) lesson on short field operations.

SIGN UP / EVENT DETAILS: <http://richmondpilots.org>

Entry fee: \$20 cash, pay onsite, the day of the event.

Rules:

Safety is paramount, any pilot deemed to be flying in an unsafe manner will be disqualified.

Student pilots are welcome, but must have an instructor on board if they are pre-solo.

All pilots must ensure they are operating according to FAA regulations and best practice for the field.

If more than one pilot is on board, the landing pilot must announce their name prior to landing.

Richmond Pilots is a non profit 503(c)(3) corporation and fees are considered charitable donations.
